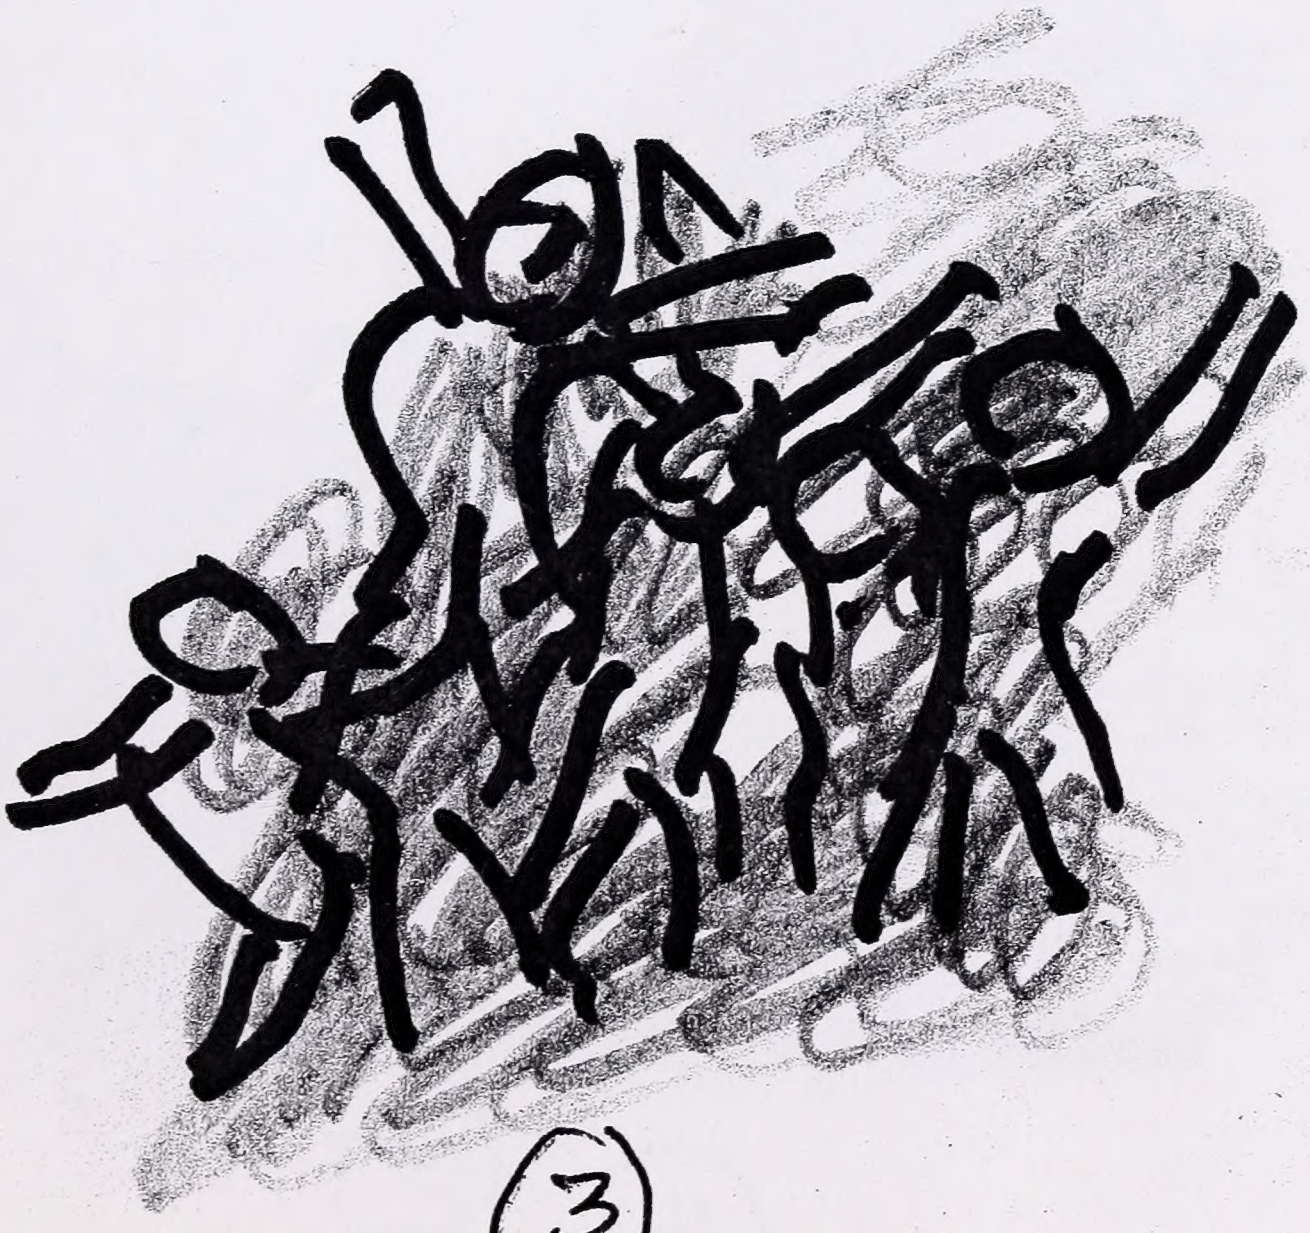
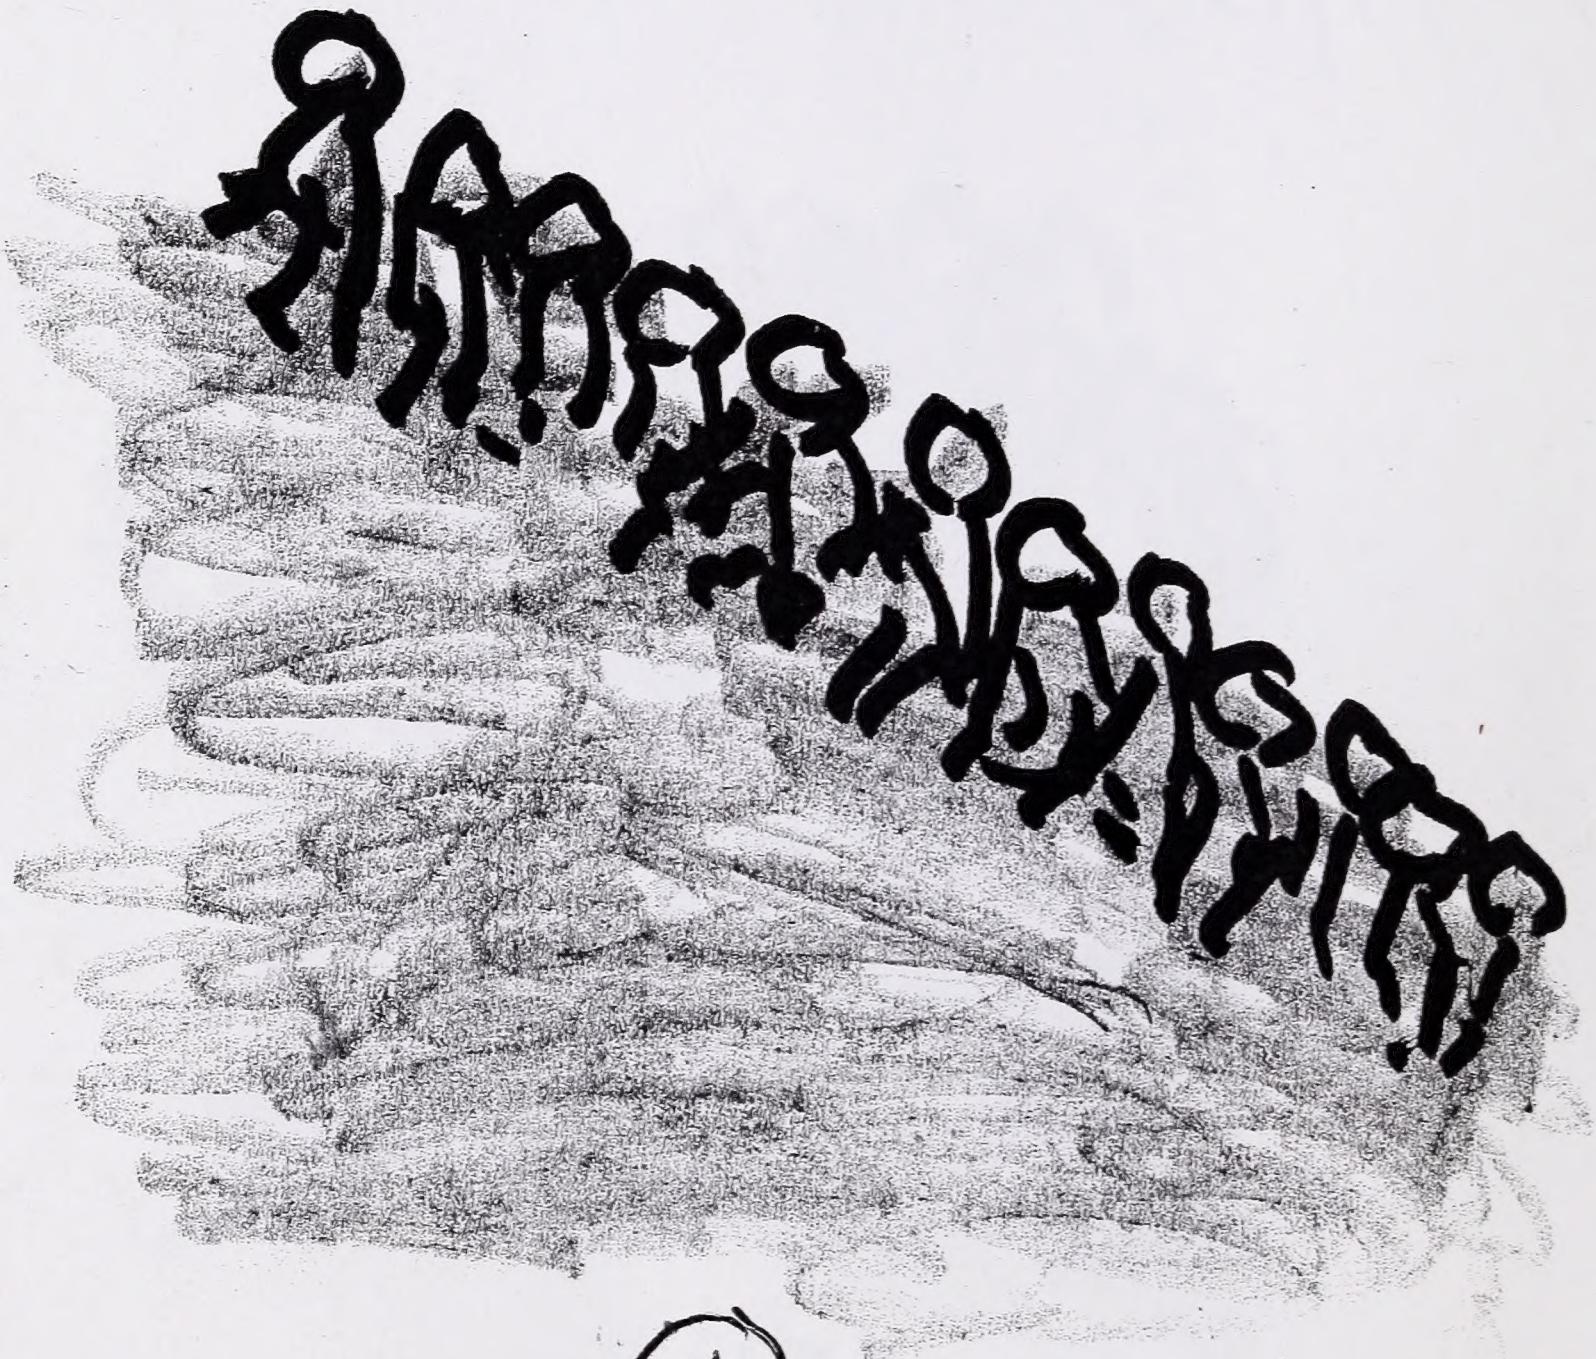
this long enough,
this short, this stinks
enough, or hurts
sufficiently

this overtakes the
given pace, this yes,
this not yet

this must or condemns,
this mixes & shatters,
this rests not & cannot,
this sickens & lessens'



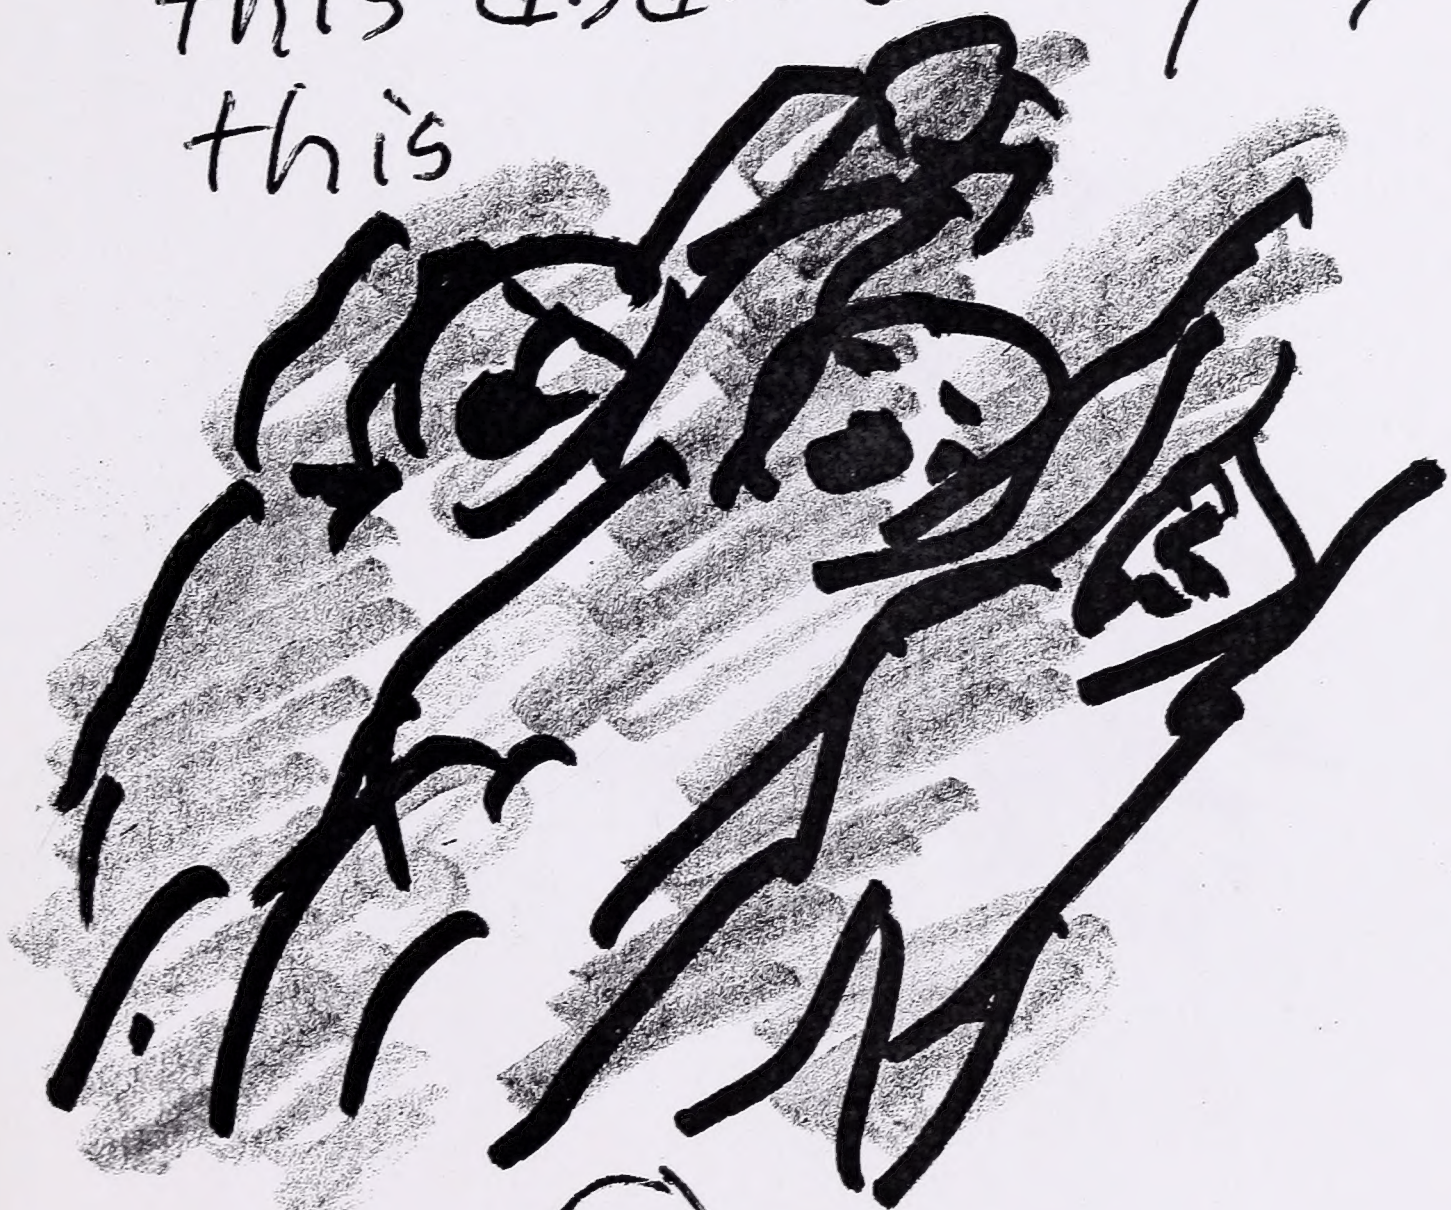
this stands precariously,
this tempts the assumptions,
this furthers & wills



this opens & shuts,
this holds its breath,
this hollers, this drowns

this slumps, this readies,
& propels

this shuts the door in
your face & doesn't
go away, this obliges
you badly & has you,
this abandons you,
this



& this, if you don't muster your courage
